What our members say – what means ENRICH?

ENRICH your international footprint : access global markets, expertise and real-world case studies.

ENRICH your business & fundraising : participate in European proposals with ENRICH GLOBAL; tap shared-funding and members' framework contracts.

ENRICH through Thematic Groups : join Health, Internationalisation, Digital... or launch your own aligned with your mission.

ENRICH your project implementation : exploitation & sustainability support; staff secondments when capacity is tight.

ENRICH your teams : build international competencies via member networking and collaboration.

ENRICH with our Collaboration & Community Platform : set up & moderate your Community of Practice or contribute to existing ones (members-only).

ENRICH your connections : work with open-minded peers active in international collaboration for innovation.

Taking European innovation global through Thematic Groups

ENRICH GLOBAL's Thematic Groups **bring together members of the association, experts and world-class actors**, contributing to international research, innovation, and business collaboration, who share the vision to provide **a unique collaborative platform** based on best internationalisation practices

Taking European Innovation Global through joint projects* and initiatives

ENRICH GLOBAL Horizon 2020 and Horizon Europe projects

ENRICH GLOBAL lighthouse initiative

[Learn more in our latest Annual Report](#)

*joint projects: projects where ENRICH GLOBAL is involved together with at least one of its members

ENRICH GLOBAL Community Platform – a unique tool for its members

Exclusive to EG members and those who funds the development: Create and moderate your own e-community space to collaborate seamlessly : whether for your own organisational needs, for your projects or initiatives....

- ◆ Available as **PaaS (Platform as a Service)**: fast community setup! User interface customisable to have a per-community identity, logo, features...
- ◆ Communities continue after the project end: **sustainability**! How? Co-moderated by multiple projects or organisations

Main features in 2024-2025 :

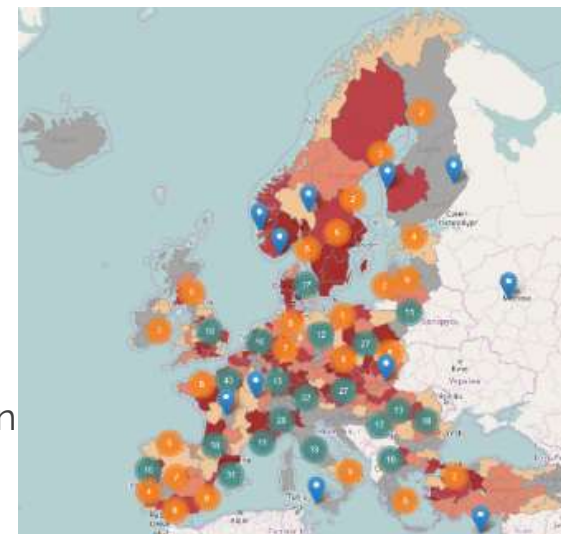

- ◆ **Dedicated community** workspaces for collaboration
- ◆ **Community announcements** such as news and internal communication systems for internal groups
- ◆ **Event set up and registration management** for open and closed events
- ◆ **Networking possibilities** with other community members (private message, schedule a meeting)
- ◆ **Administration area to manage access** of internal groups, specific mailings and role assignment
- ◆ **Fully customizable spaces** (e.g. dedicated domain per community)
- ◆ **Matchmaking component** (collaborating with members' platforms, when relevant)

ENRICH GLOBAL Community Platform – Upcoming Features in 2025

Exciting Enhancements for 2025

- ◆ **Mapping Tool** for community users
 - ✓ Locate experts (and later, projects and organisations) with **smart filtering**.
 - ✓ Identify potential partners in a **visual, interactive way** ...
- ◆ **Advanced Analytics**
 - ✓ Track **engagement & interactions** with community's contents.
 - ✓ Get **personalized recommendations** for funding calls & collaboration opportunities
 - ✓ Measure the **impact** of activities on the platform.

*"We want to make our platform more intuitive, helping you collaborate more effectively with fellow community members: because **collaboration is key!** Over the coming months, we'll be rolling out new features and improvements, and we'll keep you updated on the exciting changes ahead."* **Lotte van Meijel, web and community expert**

Different features are developed with support from various EC-funded projects involving ENRICH GLOBAL: sustainability "by design" – ensuring both platform and communities thrive beyond project completion!

Members co-create and innovate with ENRICH GLOBAL

Got an idea that aligns with ENRICH GLOBAL's mission?

Want to lead a new initiative at a global or local level?

Here's how you can make it happen:

1. Propose your idea:

Bring forward an innovative concept and show your readiness to lead.

2. Find your allies:

Identify at least **two other ENRICH GLOBAL members** to support your initiative. No network? Recommend your partners to join EG and collaborate with them.

3. Co-create & submit.

Work together and prepare a **one-page proposal** for the **ENRICH GLOBAL Bureau**.

4. Get validation.

The Board **reviews, validates, and provides suggestions** to strengthen your project.

5. Make it happen!

Pilot your initiative within ENRICH GLOBAL and drive real impact. Your vision becomes **our shared success**.

**Successful initiatives after the first year
may be eligible for funding – decision to
be
made by the Board.
Step up and shape the future of ENRICH
GLOBAL.
Your ideas. Your leadership. Our joint
work. Our collective impact.**

Joining ENRICH GLOBAL

Your counterpart: in-kind contribution every year

What is your counterpart for joining ENRICH GLOBAL?

Just investing some time (you and/or your colleagues – at least 2-3 days a year) for the activities that that make sense / are of interest for you and your organisation, for example:

- contribute to the existing initiatives and the thematic groups - with ideas, actions linkages to your own projects, and more!
- initiate international activity, lighthouse initiative, thematic group, or specific activity of interest for you, your organisation and ENRICH GLOBAL members – and lead it!
- recommend new relevant members with whom you wish to collaborate under the umbrella of ENRICH GLOBAL – without deadlines and without deliverables
- become affiliated partner to ENRICH GLOBAL in its projects
- support annual Innovation Days of ENRICH GLOBAL, social media campaign, etc etc etc.

Contributions are win-win - for you, for ENRICH GLOBAL and for its members!

If you contribute in-kind, there is no membership fee for the year, and no obligation to participate to specific activities.

You can leave association at any time.

It is all up to you!

Taking European innovation global – and vice versa
